<b>Wednesday</b>	<b>June 25</b>	<b>1;30-3:30PM</b>	<b>A-110 Conte *</b>
<b>Wednesday</b>	<b>July 9</b>	<b>1:30-3:30PM</b>	<b>102 Draper hall</b>
<b>Wednesday</b>	<b>August 13</b>	<b>1;30-3:30PM</b>	<b>102 Draper hall</b>

*\* Departmental training , please call EHS 5-2682 for available space*

Laboratory and Fire Safety Training is required for faculty, staff, students, undergraduates, graduates, post-doctorates, and visiting scholars before initial assignment to a laboratory. This requirement can be satisfied by attending a two-hour Laboratory and Fire Safety Training seminar. EH&S schedules at least one session per month. Check the schedule on the EH&S homepage (<http://www.ehs.umass.edu/train.html>) for the times, dates and locations, or call 545-2682.

TO REGISTER FOR TRAINING, PLEASE CALL EH&S at: 545-2682, or email

Kimya([kmclauri@ehs.umass.edu](mailto:kmclauri@ehs.umass.edu)) with the FOLLOWING INFORMATION:

- ✓ First/last name, 8-digit ID# (campus ID#)
- ✓ Status (ugrad, grad, faculty, staff, etc.)
- ✓ P.I./Department for which you will be working
- ✓ Date you will and/or have started work on campus
- ✓ A telephone number where you can be reached
- ✓ Your email address (if you have contacted us by phone)

**LABORATORY SAFETY TRAINING:**

- The Massachusetts Right to Know Law, and how to read MSDSs
- Basic toxicology including routes of entry and occupational exposure limits (PELs, TLVs)
- Safety equipment and personal protective equipment
- Proper use of laboratory fume hoods
- Laboratory inspections
- Emergency awareness

**HAZARDOUS WASTE MANAGEMENT:**

- Federal and State requirements for point of generation
- Collection
- Management and disposal of hazardous waste

**FIRE SAFETY TRAINING:**

- Common fire hazards, causes, and your role in preventing fires
- What to do in case of a fire and what to do if trapped by a fire
- How to choose and use the proper fire extinguisher
- Fire protection systems

*(Note: All sessions require outdoor training. Please dress appropriately for the weather.)*
